

# 2012 E-SERIES

# AMERICA'S BIGGEST SELECTION.

Ford E-Series offers you the widest range of full-size vans, wagons, cutaways and stripped chassis in the country. Ready, willing and able to help you get the job done, the Built Ford Tough® E-Series can be configured with GVWRs ranging from 8,520 to 14,500 lbs. These trucks are ideal for moving people, products, equipment or all of the above. See for yourself why trades, fleets, community groups and other organizations have made E-Series America's favorite full-size van for 32 years running. Drive one today.

## HANDS CONTROL THE WHEEL. VOICE CONTROLS THE REST.

### Stay connected to calls, music and more with SYNC.

No more searching for your phone. No device on your ear. Connect to your world with voice-activated Ford SYNC.<sup>®1</sup> Once paired, SYNC recognizes your phone and automatically transfers your contacts to support voice calling. It also plays music from your phone, MP3, USB or iPod.<sup>®</sup> Just touch a button on the steering wheel and say things like "Call Kevin," or "Play genre: Country." New AppLink<sup>1</sup> lets smartphone users control Pandora<sup>®</sup> internet radio (shown) and Stitcher SmartRadio<sup>™</sup> by voice too. SYNC also offers 911 Assist,<sup>™</sup> and with an activated SYNC Services account you get business searches,<sup>1</sup> turn-by-turn driving directions,<sup>1</sup> custom traffic alerts<sup>1</sup> and more. Personalize your experience at SyncMyRide.com.

### Full-color, voice-activated travel guide with SiriusXM.

The Navigation System<sup>2</sup> includes a 6-month trial subscription to SiriusXM Satellite Radio, Traffic and Travel Link<sup>3</sup> to bring you over 130 channels of unique content, plus live infotainment services. Get continuously updated traffic information, plus check local fuel prices, weather reports, movie listings, sports scores and more. This system features a vibrant 6.5" LCD touch screen with interactive maps you can zoom and scroll. Of course, it also responds to voice commands for hands-free control. Play DVDs while E-Series is in Park and store nearly 10 gigs of your digital music.

**Keeps you informed.** The message center<sup>4</sup> helps you track tire pressure, miles to empty and average fuel economy. It also includes an engine-hour meter, systems checks for fuel level and much more.

**Helps you stay cool.** Manual front air conditioning is standard on all vans, wagons and cutaways.

**Stows essentials nearby.** The standard center console gives you lots of storage capacity within easy reach, including an upright storage bin large enough for clipboards and even some laptops.

E-Series Cargo Van. Medium Flint. Available equipment.

<sup>1</sup>Available feature. Requires compatible mobile device. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Text message and data rates may apply. <sup>2</sup>Available feature. Coming Fall 2011. <sup>3</sup>SiriusXM Satellite Radio, Traffic and Travel Link subscriptions sold separately or as a package after trial expires. SiriusXM Traffic and Travel Link service available in select markets. Subscriptions are governed by SiriusXM Customer Agreement; see [www.siriusxm.com](http://www.siriusxm.com). <sup>4</sup>Available feature.

2012 E-SERIES [ford.com](http://ford.com)

# EXTENDS YOUR CAPABILITIES.

Tow up to 10,000 lbs!<sup>1</sup> confidently in E-Series Vans with the help of smart features like standard telescoping trailer tow mirrors and Roll Stability Control.<sup>TM</sup> On the 6.8L Triton<sup>®</sup> V10<sup>2</sup> with TorqShift<sup>®</sup> a selectable tow/haul mode automatically compensates for altitude, grade and load conditions. Our full-color rear view camera<sup>2</sup> shows you what's behind the vehicle when in Reverse. It also includes a distance guide and center line to help you line up with a hitch. You can haul up to 278 cu. ft. of cargo with peace of mind thanks to sturdy double-wall construction that helps protect the outer walls from shifting loads. Sliding<sup>2</sup> or swing-out side cargo doors. Windows all around<sup>2</sup> or panel sides. E-Series Vans are ready to meet your cargo challenges.

Maximum Capabilities (lbs.) <sup>3</sup>	GVWR	Payload
E-150 Van	8,520 – 8,600	3,260
E-150 Extended Van	8,600	3,190
E-250 Van	8,900 – 9,000	3,630
E-250 Extended Van	8,900 – 9,000	3,480
E-350 Van	9,500	4,050
E-350 Extended Van	9,500	3,920

**Balances the brakes.** A factory-integrated trailer brake controller (TBC)<sup>2,4</sup> synchronizes the vehicle and trailer brakes for seamless operation while towing.

**Helps you connect.** Trailer Tow Packages<sup>5</sup> include a bumper-mounted trailer wiring harness for easy electrical connections and a clean finish.

E-250 Cargo Van. Ingot Silver. Available and aftermarket equipment.

<sup>1</sup>When properly equipped. <sup>2</sup>Available feature. <sup>3</sup>Maximum capabilities shown are for properly equipped vehicles with required equipment. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements. <sup>4</sup>TBC verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. <sup>5</sup>Available feature. Class II/III/IV Trailer Tow Package shown.

2012 E-SERIES [ford.com](http://ford.com)

## WELCOMES AS MANY AS FIFTEEN. ALL AT ONCE.

With room and comfort to spare, everybody gets the VIP treatment in E-Series Wagons. Equip yours to seat 7, 8, 11, 12, 14 or 15 passengers.<sup>1</sup> We also offer center-aisle seating<sup>2</sup> as a ship-thru option for those who prefer it. Standard front air conditioning helps keep everyone cool. Seat-integrated 3-point safety belts in the center on the rear bench seats help ease entry and exit. A self-latching quick-release system enables all rows to be removed and reinstalled as the need arises. Lots of choices. Lots of comfort. That's E-Series Wagon.

**Alerts you to obstacles.** The closer you get, the faster our Reverse Sensing System<sup>2</sup> is going to beep. It uses ultrasonic sensors to help detect certain objects behind the vehicle as you're slowly backing up. Available on Vans and Wagons.

**Masters challenging moments.** AdvanceTrac<sup>®</sup> with RSC<sup>®</sup> (Roll Stability Control™) uses 2 gyroscopic sensors to automatically help you avoid skidding and fishtailing. It's particularly beneficial in inclement weather.<sup>3</sup>

E-350 XLT 15-Passenger Extended Length Wagon. Medium Pebble cloth trim. Available equipment.

<sup>1</sup>Passenger and cargo capacity limited by weight and weight distribution. 11-, 12-, 14- and 15-passenger vehicles may be classified as buses and may require appropriate licensing. <sup>2</sup>Available feature. <sup>3</sup>Vans and Wagons only. Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

2012 E-SERIES [ford.com](http://ford.com)

## DESERVES DOUBLE TIME: E-SERIES CREW VAN.

Transport people and gear with ease in your E-Series Cargo Van with the Crew Van Package! There's room for up to 5 thanks to the 3-passenger 2nd-row vinyl bench seat which includes 3-point safety belts. The seating area is finished similar to a Wagon with a partial headliner, full B-pillar trim panels, side door-trim panels, a lower trim panel behind the driver's seat, and a convenient pull handle on the side door. The passenger-side rear door in the cargo area also gets a pull handle to help make quick work of equipment transfers. A sturdy, metal-mesh bulkhead divides the 2 spaces. And rugged vinyl floor covering runs throughout.

### Securely recharges your devices.

A 12-volt powerpoint inside the lockable glove compartment, standard on Vans and Wagons, allows you to stow your mobile phone out of sight while it powers up.

### Powers your heavy-duty accessories.

Operate up to 4 high-power relays with the pre-wired upfitter switches<sup>1</sup> conveniently located at the top and center of your instrument panel.

# ADAPTS TO YOUR LINE OF WORK: E-SERIES SUPER DUTY® CUTAWAY.

From demanding emergency service to a multitude of trades to shuttle transportation, E-Series offers you the biggest selection of van-based cutaways, ready to be equipped for nearly any duty. Their outstanding capacities, rugged capabilities and Built Ford Tough® reputations have made E-Series the full-size van sales leader since 1979.

## E-250.

A compact design, 8,600-lb. GVWR and a rugged 4.6L Triton® V8 flex fuel-capable (FFV) engine define the first level in the E-Series Cutaway lineup. With its midship 33-gallon fuel tank location, you benefit from maximized rear load capacity.

## E-350.

The SRW configuration offers a GVWR of up to 10,050 lbs. For exceptional rear load capacity, you can also get it with a midship 33-gallon fuel tank! Available on 138" SRW wheelbase with 5.4L Triton V8 FFV only.

## E-350 SRW/DRW.

Supremely versatile heavy-duty Cutaways, the E-350 lineup offers 2 powertrain choices as well as Ambulance, Motorhome, School Bus and Shuttle Bus Prep Packages! The 158" and 176" wheelbase chassis are available with an impressive 5,000-lb. front GAWR and a GVWR of up to 12,500 lbs.

## E-450.

The 5.4L Triton V8 FFV is standard on E-450. Spec giant payloads (see chart below), and select GCWRs up to 22,000 lbs.<sup>2</sup> for outstanding towing capability. A 5,000-lb. front GAWR is achieved with the 6.8L Triton V10 engine!<sup>1</sup> Choose the 40-gal. fuel tank<sup>1</sup> for more usable rear GAWR. And get the stopping power you need to handle huge loads from the standard 4-wheel disc brake system with ABS.

Maximum Capabilities (lbs.) <sup>3</sup>	GVWR	Payload
E-250 Cutaway SRW	8,600	4,318
E-350 Cutaway SRW	9,600 - 10,050	5,268
E-350 Cutaway DRW	10,000 - 12,500	7,376
E-450 Cutaway DRW	14,050 - 14,500	9,040
E-350 Stripped Chassis SRW	9,000 - 9,600	5,368
E-350 Stripped Chassis DRW	10,000 - 12,500	8,026
E-450 Stripped Chassis DRW	14,050 - 14,500	9,747

**Comes to the rescue.** The Ambulance Prep Package<sup>1</sup> designed for select Cutaways equipped with the 6.8L V10 or 5.4L V8 gas engine, offers outstanding payload capability. With the V10, you also get 305 horsepower and best-in-class<sup>4</sup> gas torque of 420 lb.-ft.

**Becomes your ideal.** What do you do? And how do you do it? Our Stripped Chassis platform is the perfect foundation for building the specialized truck you need to do it right. Explore the possibilities at [commtruck.ford.com](http://commtruck.ford.com).

E-350 SRW Cutaway. Vermillion Red. Available equipment.

<sup>1</sup>Available feature. <sup>2</sup>See your Ford Dealer for details. <sup>3</sup>Maximum capabilities shown are for properly equipped vehicles with required equipment. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements. <sup>4</sup>Class is Full-Size Vans.

2012 E-SERIES [ford.com](http://ford.com)

# LOTS OF WAYS TO MAKE IT YOURS.

Keep your equipment organized and easily accessible with our wide range of storage solutions by Masterack®. Several of these valuable racks and bins packages are actually available at no extra charge.<sup>1</sup> Please see the E-Series Van Optional Features page and your local Ford Dealer for details. Build the E-Series you want, just the way you want it.

- QuietFlex® Composite Racks and Bins Package<sup>2</sup>
- Masterack Steel Racks and Bins Package<sup>2</sup>
- EconoCargo® Cargo Management System<sup>2</sup>
- Plumbing/HVAC Service Package<sup>2</sup>
- Electrical Contractor Upgrade<sup>2</sup> on Masterack Steel Racks and Bins Package<sup>2</sup>

**Upfits for accessibility.** Your E-Series can be equipped with aftermarket upfits<sup>2</sup> including a fully automatic wheelchair lift, raised roof, wheelchair restraint system, power assist seat, hand controls and more. Visit [mobilitymotoringprogram.com](http://mobilitymotoringprogram.com) for details.

<sup>1</sup>To eligible customers under the Ford Commercial Services Program. <sup>2</sup>Available feature.

Create a more meaningful driving experience: Connect with Ford Custom Accessories for authentic personalization possibilities. The cost of select accessories – ordered and paid for at the time you buy or lease your E-Series – can be rolled into your monthly payment. And coverage for select accessories falls under the New Vehicle Limited Warranty that way too. See your dealer for details.

## POWERTRAINS

### Flexible Fuel: 4.6L / 5.4L Triton® V8 FFVs

Both E-Series 4.6L and 5.4L Triton gas engines are Flexible Fuel capable! Ford Flex Fuel Vehicles (FFVs) give you the power of choice. E85 or gasoline? FFV lets you decide right at the pump. Both E-Series FFVs can run on E85 (85% ethanol/15% gasoline), straight gasoline, or any blend of the two. Since Ford introduced FFVs back in the mid-1990s, we've put nearly 2 million on the road, with a stream of refinements along the way. Ford engines are at the heart of E-Series' versatility and capability. Step up to the 5.4L Triton V8 FFV to get extra punch for high-capacity applications. Its SOHC architecture pumps out 255 hp and 350 lb.-ft. of torque across a wide powerband.

### CNG/LPG Gaseous Engine Prep Package

This option enables 5.4L Triton V8 and 6.8L Triton V10 gas engines to run on Compressed Natural Gas (CNG) or Liquefied Petroleum Gas (LPG). Modifications include hardened intake and exhaust valves as well as hardened valve seats.

### 6.8L Triton V10

For best-in-class gas torque, opt for the available 6.8L Triton V10. Its electronic throttle control (ETC) modulates torque at the drive wheels for smooth, seamless engine response.

## ENGINE RATINGS

	4.6L Triton V8 FFV	5.4L Triton V8 FFV	6.8L Triton V10
Horsepower (hp @ rpm)	225 @ 4,800	255 @ 4,500	305 @ 4,250
Torque (lb.-ft. @ rpm)	286 @ 3,500	350 @ 2,500	420 @ 3,250

<sup>1</sup>Excludes vans equipped with Ambulance Prep Package. <sup>2</sup>Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements. <sup>3</sup>For maximum trailer weights with Crew Van, deduct 200 lbs. from the weights shown (except with 18,500 lbs. GCWR). <sup>4</sup>E-350 SRW Cutaway with 5.4L V8 only (midship fuel tank) 10,600 lbs. GCWR.

# QUALITY, GREEN, SAFE AND SMART.

[ford.com](http://ford.com)

**New Vehicle Limited Warranty.** We want your Ford E-Series ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. □ **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. □ **Business Preferred Network.** Each of the select dealerships in our Business Preferred Network (BPN) is committed to providing quality commercial-oriented products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a BPN customer, your business vehicles receive priority service at your BPN dealership to help get your vehicle back on the road quickly. □ **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at [fordcredit.com](http://fordcredit.com). □ **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships. □ **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at [fordvip.com](http://fordvip.com) for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. □ **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
